OUR MISSION

At the RAM family, our benchmark is excellence and clients' satisfaction is the priority. As a leading turn key service and solution provider, we bring life to our projects through innovative design, expert construction services, and an extensive portfolio of renowned clients, partners, and affiliates. We collaborate seamlessly with clients and industry partners to ensure an exceptional experience from inception to delivery and every aspect can be tailored to your needs.

OUR PEOPLE

At RAM we know that our biggest asset is our staff and we are proud to say that everyone shares the values of sincerity, transparency, and accountability. We always strive to employ industry experts within the fields of design, construction, and furniture and we are committed to nurturing and developing their talent. The result is a focused team, across all aspects of the contracting spectrum.

OUR VALUES

Nothing is more important than fulfilling your business goals and all of our services are tailored to your objectives. We appreciate the fundamental importance of knowledge, quality, and communication, and these values are central to everything we offer.

QA/QC

At RAM International, quality is at the heart of everything we do. Guided by our ISO 9001 certification for Quality Management Systems, we ensure that our processes and deliverables consistently meet the highest standards. We foster a "We Culture" that emphasizes collaboration, shared responsibility, and teamwork, enabling us to achieve excellence together. Our commitment to quality extends beyond compliance; we aim to exceed client expectations by promoting continuous improvement, innovation, and precision. Through this unified approach, we deliver solutions that embody reliability, efficiency, and value.

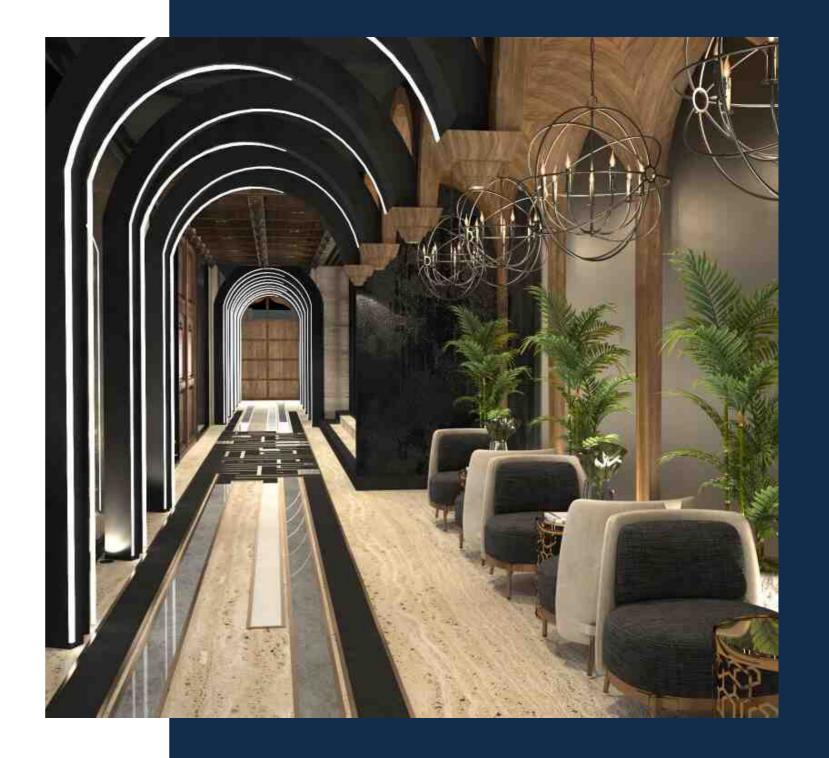

Health, Safety, and Environment

At RAM International, ensuring the health and safety of our workforce and all stakeholders affected by our activities is a fundamental priority. Backed by our ISO 45001 certification, we have established a strong HSE culture that emphasizes rigorous safety protocols, proactive risk management, and collaboration. Our approach ensures a safe and compliant working environment across all our projects.

ESG and Sustainability

RAM International is committed to embedding Environmental, Social, and Governance (ESG) principles into every aspect of our business. Certified under ISO 14001, we actively implement environmentally conscious practices to reduce our carbon footprint and contribute to a sustainable future. By aligning with global sustainability goals, we demonstrate our dedication to responsible operations and creating long-term value for our clients and the communities we serve.
